INTRODUCTION

To address the inhuman working conditions and poor health and safety standards in the real estate industry and in the Broad Sector of Construction, Government of India enacted the Building and Other Construction Workers (Regulation of Employment and Conditions of

Service) ACT, 1996. The Act, provides for a plethora of welfare benefits to ensure social security of construction workers who toil under constant risk of limb and life.

The estimated number of construction workers in the State is around ten lakhs out of which around 4.5 lakh workers are registered with the Assam Building and Other Construction Workers Welfare Board.

Though there are a few registered trade unions which represent such workers, most of them are unrepresented and continues to be unregistered.

To ensure maximum registration of construction workers, timely renewal of registration, speedy release of benefit to eligible workers it is necessary that the stake holders are rightly informed on the procedures and facilities available.

The Assam Building & Other Construction Workers Welfare Board has onboarded a complete Online Solution for all of its functions and operations including Online Registration, Online Renewal of Registration, Online Cess Deposit by employers and Citizens, Online application for benefits.

The SoP is especially developed considering the onboarding of Online Module so as to aware the users with a view to enhance the outcome of the Online adaptation.

VISION AND OBJECTIVES

To ensure the following:

-  all eligible construction workers of the State between the age of 18 to 55 years are registered with the Assam Building and Other Construction Workers Welfare Board adopting the online module.
-  all registered construction workers to renew their registration adopting the online module.
-  Adopting and integration of easy and prompt mode for deposit of cess by employers and citizens.
-  All eligible registered construction workers avail benefit through online mode as applicable in a prompt manner through DBT mode with the assistance of Public Financial Management System (PFMS).

NEED OF SOP

- ✚ It has been observed that in spite of having various welfare benefits under the Assam Building and Other Construction Workers Welfare Board, the stakeholders are not aware of the operation procedure which hampers in achieving the desirable results in a seamless manner.
- ✚ It is felt that a specific step-by-step SOP is required to ensure that the targeted group of workers are registered and they (including their families) can avail the benefits as per their eligibility.
- ✚ It is felt that a SOP is required to assist the Non-treasury Cess depositors to guide them to deposit the Cess through online mode securely and promptly.
- ✚ To disseminate correct information and process for registration, renewal and for availing benefit.
- ✚ Coordination between stakeholders and their active involvement to ensure that the target group of workers are benefitted to the utmost level of satisfaction.

WHAT ARE THE EXPECTED OUTCOMES?

- ✚ Increase in the number of registered construction workers.
- ✚ Registration of only genuine and eligible construction workers.
- ✚ Increase in the number of beneficiaries.
- ✚ Speedy and error-free disbursement of benefits.
- ✚ Fast and easy deposit of Cess

ABOUT THE ONLINE MODULE AND ITS ADOPTION

The Assam Building & Other Construction Workers Welfare Board has onboarded the Online solution for Registration, Renewal, Cess collection and Benefit Disbursement. The Mode of operations prior to deployment of the Online module involved paper works, delay in transit of documents/data/applications, delay in processing of applications, lack of handy data, delayed deposit of instruments and various other issues.

As such to adopt a fast and smooth mechanism, an IT solution has been developed and adopted by the Board for all of its primary operations right from registration to Benefit disbursement and Cess Collection.

The IT solution is expected to achieve its optimum goal only if the stakeholders adopt the mechanism and get accustomed with it. A step to achieve this is the development of this SOP.

THE STANDARD OPERATING PROCEDURES

Online Beneficiary Registration and Registration Renewal:

Who are eligible for registration?

Any worker/labourer associated with the Broad sector of construction (refer definition for “Construction Worker” above) at least for last 90 days, falling under the age category of 18 to 55 years, physically abled, a citizen of India with valid documentary evidence for all the aforementioned requirements may be considered eligible for registration.

What is the fee for registration?

The registration fee is Rs 25.00 (one time) and monthly contribution is Rs 20.00 P.M/- which can be paid online as well as offline. In order to avoid monthly hassle, workers are even allowed to make payments towards monthly contribution on yearly, half yearly or quarterly basis too.

How and where to apply?

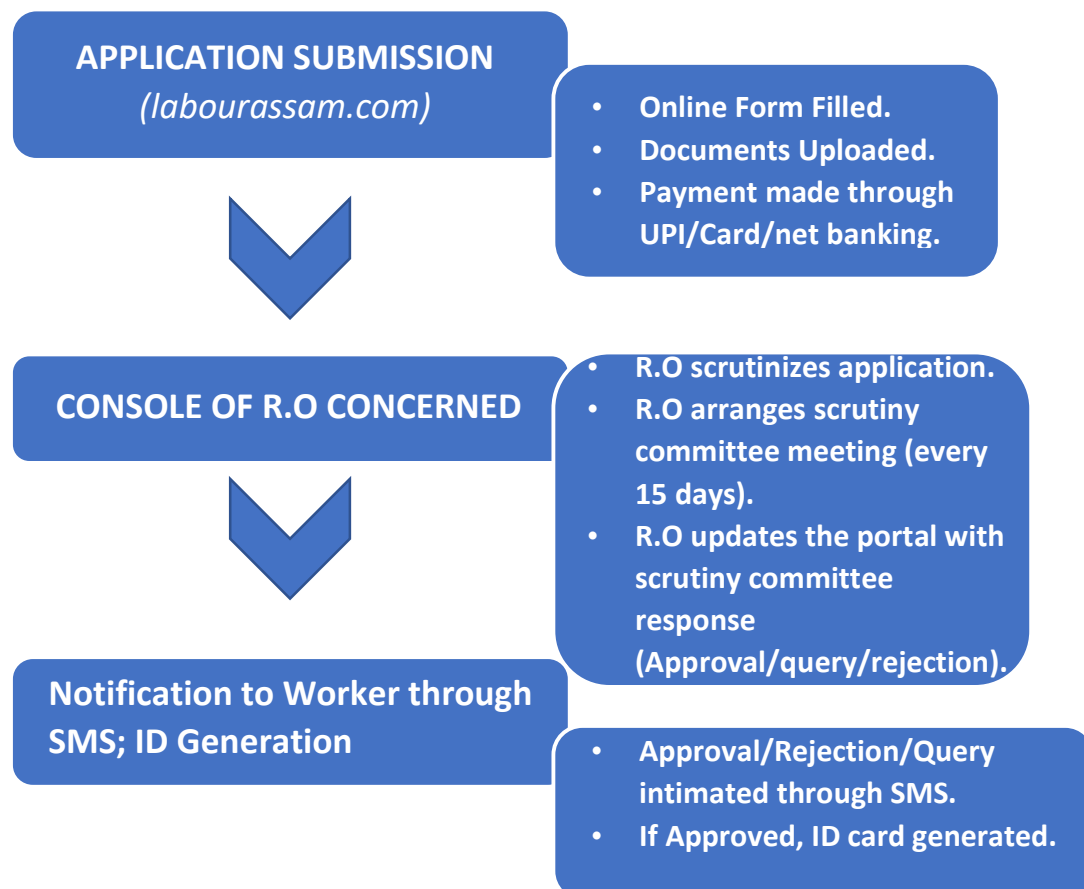

The Applications can be submitted Online through www.labourassam.com. The Online Portal is designed in a simple way so as to guide each user to make applications. Further, in order to assist the users, the module even consists of tutorial video links. In case of any queries or need for assistance, prospective applicants may approach the nearest District Labour office or CSCs. It is the duty of the Labour Officials to entertain such queries promptly and provide necessary assistances.

Documents required?

The Mandatory Documents required to be submitted along with submission of online form are-

Sl. No	Document	Purpose	Mode of Submission/Format
1	Voter ID/ADHAAR.	Identity, address and Citizenship proof.	Online (pdf/jpeg)
2	Employers Certificate.	90 days working record to check eligibility.	Online (pdf/jpeg)
